**Last Reviewed:** September 16, 2022.

**Adopted:** April 16, 2019.

## **I. PURPOSE:**

This procedure aims to establish provisions for establishing and terminating employment contracts issued by Technical Colleges.

## **II. RELATED AUTHORITY:**

- O.C.G.A. § 20-4-11 – Powers of Board.
- O.C.G.A. § 20-4-14 – TCSG Established; Powers and Duties.
- TCSG State Board Policy 4.1.6. – Employment Contracts.

## **III. APPLICABILITY:**

All work units and Technical Colleges are associated with the Technical College System of Georgia.

## **IV. DEFINITIONS: NA**

## **V. ATTACHMENTS:**

- Attachment: 4.1.6p.a1. Employment Contract
- Attachment: 4.1.6p.a2. Standard Non-Renewal Letter

## **VI. PROCEDURE:**

- A. The president has the authority to issue an employment contract for college employees.
- B. Presidents of colleges who wish to transition to employment contracts will notify TCSG's General Counsel of their intent at least thirty (30) days before the intended effective date of the contracts.
- C. Colleges will use the contract templates attached to this procedure; the Office must approve any modifications of Legal Services prior to issuance to employees.
- D. Should the transition of a current employee to an employment contract result in a reduction in schedule and/or compensation or a change in the employment category, the procedure regarding Reductions in Force will apply. However, this provision does not apply when an employee has voluntarily requested such a reduction or change in the category in writing. Any such request must be maintained in the personnel file.
- E. The period of an employment contract may not exceed twelve months and should not cross fiscal years unless the College has certified that funds are available.
- F. The performance, attendance, or conduct issues of employees who have been issued a contract will be addressed according to the provisions of the Positive Discipline procedure.

- G. Individuals whose contracts are being terminated by the president before the end of the contract term must be notified in writing of the reasons and provided an opportunity to respond according to the procedures applicable to the reasons for the termination.
- H. Employees who have been issued a contract are subject to the Positive Discipline Process but cannot be considered probationary employees as described in the procedure.
- I. The benefits, terms, and conditions of employment for employees who have been issued a contract will be governed by state and federal laws, rules and regulations, State Board policies, and TCSG procedures.
- J. Individuals who have been issued an employment contract are not eligible for full-time employment at another college during the term of that contract without the express, written consent to terminate the contract by the president who issued the contract.
- K. Employees whose contracts will not be renewed shall be notified in writing no later than May 31<sup>st</sup> of the fiscal year. Contracts that expire on a date other than the end of the fiscal year may specify other notice provisions as long as an employee is given at least two weeks (14 calendar days) of written notice. Extending the date of a contract's scheduled expiration to give the required notice will satisfy these notice periods.
- L. Any decision for non-renewal or termination of an employment contract must be based on legitimate, non-discriminatory, and non-retaliatory business reasons.
- M. Colleges may be designated as ineligible for re-hiring employees who terminate a contract before the end of the contract term when the early termination negatively affects the Colleges' ability to carry out its mission.

**VII. RECORD RETENTION:**

All employment-related documents and/or employee acknowledgment statements will be maintained in an employee's official personnel file or may be maintained and retained in an electronic format consistent with the State of Georgia Archive's Retention Schedule for State Government Paper and Electronic Records.

**NOW, THEREFORE, FOR AND IN CONSIDERATION** of the mutual promises, covenants, and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Employer and Employee agree as follows:

Said salary shall be subject to adjustment on a pro-rata basis for the number of scheduled work hour(s)/day(s) the Employee does not work during the contract period when: the Employee is absent and their leave balance(s) is/are exhausted; the Employee is absent and has not sought permission to use accrued leave or permission was sought and denied; or, the Employee requests placement on leave without pay during the contract period. **Scope of Contract:** This contract covers professional and instructional staff work assignments, including teaching wherever and whenever assigned. During the term of this contract, the College President may determine that it is in the College's best interest to change the Employee's work location, hours, job title, and/or

job description. Employee understands and agrees that any such change that does not result in a change in compensation shall be permissible under the terms of this contract.

### **III. Employee Obligations and Responsibilities:**

A. If employed as instructional staff, the Employee agrees to observe the curriculum and standards promulgated by the State Board. Employee further agrees to abide by all state and federal laws. Employee agrees to obey such standards, policies, procedures, rules, and regulations as may be put in force, from time to time, by appropriate lawful actions of the College, TCSG, or the State Board. Employee acknowledges that he or she has read the policies and procedures of the Technical College System of Georgia at [tcsge.edu](http://tcsge.edu) (and employee handbook if applicable) and that they understand such policies, and that they agree to be bound by the terms of such policies and procedures. Employee further agrees to execute and subscribe to such oath or affirmation of allegiance to the Constitutions of the United States and the State of Georgia as may be required or permitted by law. If Employer requests specific medical information, then Employee shall have the option to be examined by a health care professional of his or her own choice, approved in advance by Employer, or by a health care professional. If Employer disapproves the health care professional selected by Employee, then Employer shall select a health care professional. In this event, Employer shall pay the costs of such medical examination if Employer has approved such costs prior to their being incurred.

A. Termination Due to Lack of Funds: Notwithstanding any other provision of this contract, in the event, any of the sources of funding for this contract (including, but not limited to, federal and/or state appropriations or grants) are reduced or discontinued, Employer shall have the option, in its sole discretion, to terminate its obligations under this contract in whole or in part, such termination to be effective as of the date specified in a written notice to the Employee.

B. Termination by Employer: This contract shall not be modified or terminated except as provided for by the policies and procedures of the State Board and TCSG, as amended from time to time, which are incorporated by reference into this contract as if entirely written herein.

C. Termination by Employee: This contract shall not be terminated by Employee without the written consent of the Employer. If the Employee does terminate this contract, whether by formal notice or by willful failure or refusal to continue duties without written consent, the Employer may pursue all legal and equitable remedies for breach of contract, including but not limited to actual damages for failure to perform. Actual damages include, but are not limited to, the cost of hiring replacement employee(s), advertising costs, court costs, and

attorney's fees. In addition, the Employer may bar Employee's eligibility for future employment at another Technical College or the System Office.

**V. Employee Certification:** Employee hereby certifies that he or she is not under contract to any local board of education, Technical College, College, or university of this or any other state. Employee further certifies that he or she is not under contract to the System Office, nor will he or she be employed by any other state agency during this contract period. Employee further certifies that he or she is not employed privately in any capacity that conflicts with his or her duties to the College. Exceptions to this provision may be approved by the College President per authority delegated by the Commissioner and as provided by Georgia law, O.C.G.A. Section 45-10-25 (a)(8).

**VI. Work for Hire Acknowledgement** Without limiting in any way the effect of the work for hire provisions of the United States Copyright Act, 17 U.S.C. §§ 101, et seq., the parties to this Agreement hereby acknowledge that all works prepared by or contributed to by Employee because of or in connection with this Agreement, whether or not Employee provides such works to Employer, and all copies and versions thereof (from now on "Works"), will be prepared by or contributed to by Employee for, at the instigation and under the direction of Employer, and as an "employee" of "employer" within the "scope of employment" of Employee, and are to be considered by both parties as "works for hire." As used in this acknowledgment, all quoted terms are used as they are in the United States Copyright Act, 17 U.S.C. §§ 101, et seq., and as the courts of the United States have interpreted them. As a result, as the author of all such works, the Employer owns complete and exclusive rights to the works in all existing media and all media now known or from now on created.

**VII. Assignment** Without curtailing or limiting the acknowledgment as mentioned earlier, Employee hereby assigns, grants, and delivers (and agrees further to assign, grant, and deliver) exclusively unto Employer all rights, titles, and interests of every kind and nature whatsoever in and to all Works, including, but not limited to, all copyrights therein and to that and all renewals thereof. Employee further agrees to execute and deliver to Employer, its successors and assigns, such other and further instruments and documents as Employer reasonably may request to establish, evidence, and enforce or defend its complete, exclusive, perpetual, and worldwide ownership of all rights, titles, and interests of every kind and nature whatsoever, including all copyrights, in and to the Works, and Employee hereby constitutes and appoints Employer, as Employee's agent and attorney-in-fact, with the full power of substitution, to execute and deliver such documents or instruments as Employee may fail or refuse to execute and deliver, this power and agency being coupled with an interest and being irrevocable.

**VIII. Miscellaneous:**

A. Entire Agreement: This Contract, together with any documents incorporated herein, constitutes the entire agreement between the parties concerning the subject matter and supersedes all prior negotiations, representations, or contracts.

B. Severability: Any section, subsection, paragraph, term, condition or provision, or another part of this Contract that is judged, held, found, or declared to be voidable, void, invalid, illegal

, or otherwise not fully enforceable shall not affect any other part of this Contract, and the remainder of this Contract shall continue to be of full force and effect as set out herein.

C. Waiver: The waiver by the Employer of any breach of any provision contained in this Contract shall not be deemed to be a waiver of such provision on any subsequent breach of the same or any other provision contained in this Contract and shall not establish a course of performance between the parties contradictory to the terms hereof.

D. Amendments: No amendment of this Contract, or any of the terms or provisions hereof, shall be binding upon either party except by a writing executed by both parties.

E. Governing Law: This contract shall be governed by the laws of the State of Georgia.
