Georgia law provides for the recognition and observance of twelve (12) holidays each calendar year. Through individual proclamations, the Governor specifies the day state offices and facilities shall be closed for each observance.

Holidays will normally be observed on the dates designated by the Governor; however, if the date of a holiday's observance will impact the continuity of instructional delivery to students in a technical college, one or more holidays may be observed later in the same calendar year consistent with a college's approved academic calendar.
