POLICY:

The Technical College System of Georgia (TCSG) and each of its associated Technical Colleges and work units are committed to healthy, safe, and secure workplaces and/or educational settings for all employees, students, volunteers, visitors, vendors, and contractors. Each Technical College or work unit shall develop, review, and submit, at least annually to the System Office those plans and procedures which are essential to respond to matters of natural and man-made hazards; public health; occupational and environmental safety, as well as security. These plans and procedures shall be established with the goals of mitigating risk to individuals and physical resources as well as maintaining compliance with national, state, and local regulations. The Commissioner is directed to develop procedures necessary to implement the provisions of this policy.
